The Starting Point List is a specialized selection of mutual funds and ETFs from select fund companies that have been reviewed and analyzed by the Ameriprise® Investment Research Group (IRG). The goal is to provide advisors with a tool for fund selection that comprises fund choices from a broad range of categories that the IRG believes to be solid, long-term investments. The Starting Point List and other supporting information can be accessed from the Ameriprise® AdvisorCompass site.

Have clients review the Ameriprise® Managed Accounts Client Disclosure Brochure or, if they have elected to pay a consolidated advisory fee, the Ameriprise® Managed Accounts and Financial Planning Service Disclosure Brochure, for a full description of services offered, including fees and expenses as well as any applicable updates.

Investment products are not federally or FDIC-insured, are not deposits or obligations of, or guaranteed by any financial institution, and involve investment risks including possible loss of principal and fluctuation in value.

Investment advisory products and services are made available through Ameriprise Financial Services, LLC., a registered investment adviser. Ameriprise Financial Services, LLC. Member FINRA and SIPC including the highlighted text from the next column.

### Important information on risk

Investing involves risk; principal loss is possible. There can be no assurance that any investment or asset class will provide positive performance over any period of time. Financial advisors should consider the suitability of the manager, strategy and program for their clients on an initial and ongoing basis.

This material is not intended to be a recommendation or investment advice, does not constitute a solicitation to buy, sell or hold a security or an investment strategy, and is not provided in a fiduciary capacity. The information provided does not take into account the specific objectives or circumstances of any particular investor, or suggest any specific course of action. Financial professionals should independently evaluate the risks associated with products or services and exercise independent judgment with respect to their clients.

Availability may change without notice. From time to time, we may close or reopen strategies and certain strategies may be available as other investment vehicles not listed. Vehicles are different investment products, each with its own features, terms and conditions, fee structures and risk factors and certain restrictions may apply.
