

Nuveen capabilities

Nuveen is a global investment leader, managing \$1.4T in public and private assets for clients around the world and on behalf of TIAA, our parent company and one of the world's largest institutional investors.^{1,2}

How we invest

With broad expertise across income and alternatives, we invest in the growth of businesses, real estate, infrastructure and natural capital, providing clients with the reliability, access and foresight unique to our 125+ year heritage.

For 50+ years, our commitment to responsible investing has helped our clients align their long-term financial goals alongside their investment values.⁷

As of 31 Dec 2025. Nuveen assets under management (AUM) is inclusive of underlying investment specialists. Totals may not equal 100% due to rounding.

¹ Pensions & Investments, 16 Jun 2025. Rankings based on active U.S. bonds, U.S. institutional tax-exempt assets under management as of 31 Dec 2024 reported by each responding asset manager; updated annually. TIAA is the parent company of Nuveen. ² For its stability, claims-paying ability and overall financial strength, Teachers Insurance and Annuity Association of America (TIAA) is a member of one of only three insurance groups in the United States to currently hold the highest rating available to U.S. insurers from all four leading insurance company rating agencies: A.M. Best (A++ rating affirmed as of July 23, 2025), Fitch (AAA rating affirmed as of August 5, 2025), Standard & Poor's (AA+ rating affirmed as of August 27, 2025), and Moody's Investors Service (Aa1 rating affirmed as of May 21, 2025). There is no guarantee that current ratings will be maintained. The financial strength ratings represent a company's ability to meet policyholders' obligations and do not apply to variable annuities or any other product or service not fully backed by TIAA's claims-paying ability. The ratings also do not apply to the safety or the performance of the variable accounts, which will fluctuate in value. ³ Nuveen traces its history back to 1898 when the company began underwriting municipal bonds, and TIAA was founded in 1918. ⁴ Nuveen's equities investing team began investing in equities in 1952 and started an equity responsible investing strategy in 1990 while they were under TIAA. TIAA acquired Nuveen in 2014, and shortly thereafter TIAA's asset management business was combined with Nuveen. Statements regarding Nuveen's history include TIAA's history. ⁵ As of 31 Dec 2025. Multi-asset AUM includes target date and other multi asset strategies. Underlying asset categories included in target date funds are \$34B fixed income, \$87B equities and \$2B real estate. ⁶ Pensions & Investment Real Estate Managers Special Report, October 2025. Ranking included 72 real estate managers and ranked them by total worldwide real estate assets as

of 30 Jun 2024. Real estate assets are reported net of leverage, including contributions committed or received but not yet invested; REOCs are included with equity; REIT securities are excluded. ⁷ Nuveen's responsible investing team activities date back to 1990 at TIAA prior to TIAA's acquisition of Nuveen in 2014. TIAA and CREF boards began responsible investing initiatives in 1970 with proxy voting to deal with shareholder proposals on social issues. Statements regarding Nuveen's history include TIAA's history.

Important information on risk

Investing involves risk; principal loss is possible. There can be no assurance that any investment or asset class will provide positive performance over any period of time. Financial professionals should consider the appropriateness of the manager, strategy and program for their clients on an initial and ongoing basis.

If evaluating investment companies, please carefully consider the investment objectives, risks, charges and expenses before investing.
